Commercial Fish and Shellfish Farming Operations

The North American Industry Classification System (NAICS, 2014) classifies commercial fish and shellfish farming in three major industries listed below:

- a. Farm raising finfish - listed under NAICS code 112511 or finfish farming and fish hatcheries. This U.S. industry comprises establishments primarily engaged in farm raising finfish (e.g., catfish, redfish, striped bass, tilapia, trout, snapper) and/or hatching fish of any kind.
- b. Farm raising shellfish - classified under NAICS code 112512 or shellfish farming. This U.S. industry comprises establishments primarily engaged in farm raising shellfish (e.g., crayfish, saltwater shrimp, freshwater prawn, oyster, blue crab).
- c. NAICS code 112519 or other aquaculture comprises establishments primarily engaged in farm raising of aquatic animals (except finfish and shellfish) and/or farm raising of aquatic plants. Alligator, algae, frog, seaweed, or turtle production is included in this industry.
