

# MISSISSIPPI BCIA FALL BULL AND HEIFER SALE PROGRAM 2023 RULES AND REGULATIONS

1. The objective of the Mississippi Fall BCIA Bull and Heifer Sale program is to encourage production and identification of genetically superior bulls by purebred breeders and to encourage the purchase and use of these bulls by commercial producers. To enhance marketing opportunities for and add value to Mississippi-raised heifers.
2. To develop reliable sources of quality beef replacement heifers throughout Mississippi.

The minimum standards as set forth in these rules and regulations are for all breeds of cattle. Comparison of performance data and records should be limited to bulls within the same breed. Even when comparing bulls of the same breed, it should be remembered that all bulls are not developed under the same pasture and feeding program. The feed and pasture program of these bulls should be such that they can demonstrate their genetic potential for growth, not be overly fat, and be sound on their feet and legs.

A. **Date of Sale** – Thursday, November 7, 2024

B. **Location** – Hinds Community College Sales Facility, Raymond, MS

C. **Nominations** – The deadline to nominate bulls for this sale is September 30, 2024. The following items need to be sent in to *Mississippi BCIA, Box 9815, Mississippi State, MS 39762* for each bull nominated:

1. Nomination form
2. Signed registration certificate (for bulls only, unless transfers are to be done online)
3. Nomination fee of \$25 per bull payable to Mississippi BCIA. Withdrawals and substitutions will be allowed until October 15, 2024. After October 15, no substitutions will be accepted and no checks will be refunded. Make checks payable to Mississippi BCIA. Nomination fees will be applied towards sale expenses.

D. **Regulations**

1. Age – Bulls must be born between March 1, 2022 and October 31, 2023.

Heifers must be born between September 1, 2022 and December 1, 2023

2. Health – Current health papers from a licensed veterinarian must accompany bulls to the sale.

a. BVD - The Mississippi Beef Cattle Improvement Association encourages voluntary testing of BCIA sale bulls for persistently-infected BVD as part of a statewide effort to educate producers on BVD and to control and/or eradicate BVD from Mississippi cattle herds. Negative BVD test results will be reported in the sale catalog.

b. Trichomoniasis - Every bull moved within this state which is sold, exchanged, leased, rented, or otherwise transferred in ownership or possession from

one person to another shall be accompanied by a signed Virgin Bull Statement or a test result showing that the bull is free from Trichomoniasis. A virgin bull is a bull less than 18 months of age in which one permanent central incisor teeth is in wear and that has never been commingled with breeding females.

3. Fertility – All bulls must have documentation of a passed breeding soundness exam, including scrotal measurements **within 30 days** of the sale. Scrotal circumference must measure a minimum of 32 cm for a 12–16 month old bull, 34 cm for a 17–23 month old bull, and 36 cm for a 24+ month old bull.
4. Identification – All bulls must have a USDA Official Permanent ID (840 radio frequency identification device (RFID) in addition to their lot number tag. These will be provided upon request.
5. Bulls should be considered structurally sound.
6. Actual birth weight must be reported.
7. Minimum adjusted 205–day weaning weight as reported by respective breed associations shall be:
  - a. 575 pounds or
  - b. 550 pounds with at least a 95 ratio within a minimum of 5 contemporaries
8. Bulls must have at least one of the following to qualify for the sale:
  - a. Ultrasound body composition yearling scan results accepted by the respective breed association or
  - b. Ultrasound EPDs or
  - c. Carcass EPDs
9. EPDs and accuracies from respective breed associations are required. Bulls without EPD information will be accepted, only if the respective breed association cannot provide the EPD data. However, each consignor must complete all bull performance data required.
10. Yearling weight must be taken and reported to breed association for calculation of yearling weight EPD. Additionally, 365-day adjusted yearling weights must be reported on the nomination form. Breeders nominating bulls not old enough by the nomination deadline to have yearling data collected, should report yearling data to sale management prior to the sale. Yearling data will be reported at the sale.
11. A signed copy of the bull's registration certificate must accompany the nomination form. If a bull's registration certificate is stored electronically with its breed association, the consignor will be responsible for transferring the bull to the buyer within 14 days of the sale.
12. Live animal ultrasound scan data will be printed in the sale catalog if provided. If available,

carcass/ultrasound EPDs will also be printed in the sale catalog. Bulls who have genomically enhanced EPDs will be designated in the catalog.

13. Heifers may be either registered or commercial replacement bred heifers.
14. Bred replacement heifers must be confirmed pregnant by a licensed veterinarian within 45 days of the sale. Birth dates (actual or month) must be reported, along with all breeding information including AI and natural service sires registration numbers.
15. Open replacement heifers must be registered with their respective breed association, and performance data and EPDs must be provided.

**E. Sale Order**

1. The sale order will be set based on the bull's individual performance data, EPDs, general conformation and quality.
  - a. A selection index based on the individual bull's score in the following categories will be used to rank bulls for determination of sale order (highest scoring will sell first); CE or BW EPD (max. of 5 points), WW EPD (max. of 7.5 points), YW EPD (max. of 7.5 points), actual scrotal circumference (max. of 5 points), WDA (max of 15 points), IMF EPD (max. of 7.5 points), REA EPD (max. of 7.5 points), and visual appraisal (max. of 40 points). A three-person committee will assign visual appraisal scores. An additional 5 points will be added to a bull's selection index total if ultrasound body composition scan results are provided, and if a bull's EPD's have been genomically enhanced (DNA submitted).
2. Heifers will sell in catalog order.

**F. Processing for Sale**

1. Cattle are to be delivered to the sale location by 12:00 noon on November 3, 2021 (the day preceding the sale).
2. Weighing – Bulls will be weighed, beginning at 1:00 p.m. on November 4, 2021 (the day preceding the sale).

**G. Sale Cost: The sale cost will include:**

1. Fixed Expenses include catalog and advertising. Fixed Expenses are charged to each bull catalogued.
2. Sale Expenses include Auctioneer (prorated), Ringmen, Breed Association Transfer Fees, 1% BCIA Promotion Fee, and Beef Checkoff. Sale Expenses are charged to each bull that goes through the sale.
3. Annual MBCIA membership dues (if not current). Annual dues are \$10.

**H. Minimum qualifying sale weights shall be:**

	Age in Months	Age in Days	Weight per Day of Age (pounds)	Minimum Sale Weight (pounds)
October 2023	13	389	2.60	1011
September 2023	14	419	2.50	1048
August 2023	15	450	2.40	1080
July 2023	16	481	2.30	1106
June 2023	17	511	2.20	1124
May 2023	18	542	2.15	1165
April 2023	19	572	2.12	1213
March 2023	20	603	2.05	1236
February 2023	21	631	2.05	1294
January 2023	22	662	2.05	1357
December 2022	23	693	1.95	1351
November 2022	24	723	1.95	1410
October 2022	25	754	1.80	1357
September 2022	26	784	1.75	1372
August 2022	27	815	1.70	1386
July 2022	28	846	1.65	1396
June 2023	29	876	1.60	1402
May 2022	30	907	1.55	1406
April 2022	31	937	1.55	1474
March 2022	32	968	1.55	1522

**I. Sale Terms and Conditions**

- 1.The Mississippi BCIA acts as agent only. The contract is between the buyer and seller.
- 2.All persons who attend this sale do so at their own risk. The owners or sponsors assume no responsibility, legal or otherwise, for any accidents that may occur.
- 3.All cattle will be sold at public auction to the highest bidder. The auctioneer selling will settle any disputes concerning bids.
- 4.Terms of the sale are cash.
- 5.All bulls will have been registered and properly signed transfer papers will be furnished to the buyer.
- 6.Animals are guaranteed to be without defects, but nothing more. Animals failing to breed after a trial of six months may be returned to the seller, if in good condition. The seller reserves the right to try said animal for six months, and if it proves to be a breeder, to return it to the buyer at the buyer's expense. If the animal proves to be a non-breeder, a satisfactory exchange will be made or purchase
- 7.Bulls purchased will be fed and cared for, for 24 hours, without charge. Arrangements for removal from grounds must be made at the conclusion of 24 hours.
