

**Budget Bingo Instructions (ages 13 – 18)**

Budget Bingo is a fun interactive game to help teach youth about finances.

Included are 10 different bingo cards, one question and answer sheet for the game host, & one (double) answer sheet for players (cut in half and distribute one per player).

Ask the question, allow a few minutes for players to record their answer and request that writing utensils be placed down, then give the correct answer.

For every correct answer recorded by player, a chip may be placed on the correlating square of the bingo card. The first person to complete a vertical, horizontal, or diagonal line wins. Don't forget to yell BINGO! (Bingo chips and prizes not included)
